Our full suite of services.

Screen Printing

No matter how many tees you need or the amount of colors you want printed, we can make it happen with our state-of-the-art screen-printing capabilities. With multiple auto-presses, we can pump out 3000 t-shirts a day!

Embroidery

To reduce costs even more, we have full embroidery capabilities. While the average embroiderer has only 80 machine heads, we have over 100! That means, we can produce over 1000 pieces a day.

Drop Shipments and International Shipping

Need us to ship your product to several locations? No problem. With our warehouse and distribution centers, we're able to store your goods and ship them directly to multiple locations all over the world. No stress. No hassle.

We get timelines.

When there's a big event, there's no time to waste. That's why we make it our mission to provide every client with fast product research and accurate estimates.

We live by the Golden Rule.

Kindness matters in business and in life. So, whether you're one of our suppliers or one of our clients, you'll be treated with the utmost respect and kindness.

We over-communicate everything.

With us, you'll never be left in the dark about where your order is. From quotation to delivery, we're here with you every step of the way.

We make every dollar count.

We're not afraid of budgets. We'll work with you to make sure every dollar is spent carefully so that you get the right product at the right price.
